

**Non-COVID
symptoms:**

- A RUNNY NOSE?
- SNUFFLES?
- SORE THROAT
WITH NO FEVER
OR COUGH?

Send them to school
as normal if you feel
they are well
enough.

COVID symptoms:

- A NEW CONTINUOUS COUGH?
- A HIGH TEMPERATURE?
- COMPLETE LOSS OR
CHANGE OF SMELL OR
TASTE?

Protect them and others by keeping
them off school. Dial 119 or go to
www.gov.uk/coronavirus to arrange
a test. Your household and child
should self-isolate until you have the
results.

**AT ANY TIME, IF YOUR
CHILD DEVELOPS
UNRELATED
SYMPTOMS THAT
WORRY YOU ENOUGH
TO KEEP THEM OFF
SCHOOL**

**Contact your GP
or call NHS 111**

If your child displays unrelated symptoms, such as a runny nose or sore throat, you should act in the same way as you would have done before the pandemic. This may involve sending your child to school or keeping them at home, depending on the nature and severity of symptoms. Seek medical advice via your GP or 111 as you normally would. If your child has sickness or diarrhoea they should not return to school until 48 hours after the last bout of this.

If your child has any Covid-19 symptoms you need to take the following steps:

- 1 Start Isolating** Child and household start isolating 
- 2 Book a test for your child** Household doesn't need a test unless they develop symptoms
[NHS.co.uk/coronavirus](https://www.nhs.uk/coronavirus) or call 119 
- 3 Positive for Covid-19** → Child completes 10 days isolation, household completes 14 days isolation
- Negative for Covid-19** → Child can return to school if well and no one in the household or support bubble has symptoms or have been asked to isolate by NHS Test & Trace.

For details: <https://www.nhs.uk/conditions/coronavirus-covid-19/self-isolation-and-treatment/when-to-self-isolate-and-what-to-do/>

If your child has been in close contact with someone who tests positive:

- 1 Child must isolate for 14 days**
- 2 If your child develops symptoms, book a test** Child and household isolate till test result
[NHS.co.uk/coronavirus](https://www.nhs.uk/coronavirus) or call 119 
- 3 Positive for Covid-19** → Child must begin new 10 day isolation whilst household completes 14 days isolation
- Negative for Covid-19** → Child completes 14 days isolation, household ends isolation.
